You might think that it's all wild sex parties and ogling naked girls on our lunchtimes here at Raymond Towers, but that couldn't be farther from the truth. In fact, lunchtimes tend to consist of a game of darts at our local rugby club – the only place we can still get served. But even this bastion has been stormed – it turns out that both the editor and designer of *Club* are worse at darts than our lovely assistant Rebecca. Is nothing sacred?

FAST LANE!

Dear Club,
I didn't know where to start with the latest issue of *Club* (42/9), but I knew where to finish – with Lane. What I've always liked about *Club* is that you hunt out new girls all the time, even though I'd be happy just wanking to Sasha, Jenny Laird and Dani Maye for the rest of my life. Lane is absolutely stunning, and her eyes tell me that she'd be amazing in the sack. More, if you don't mind…
Anon, email

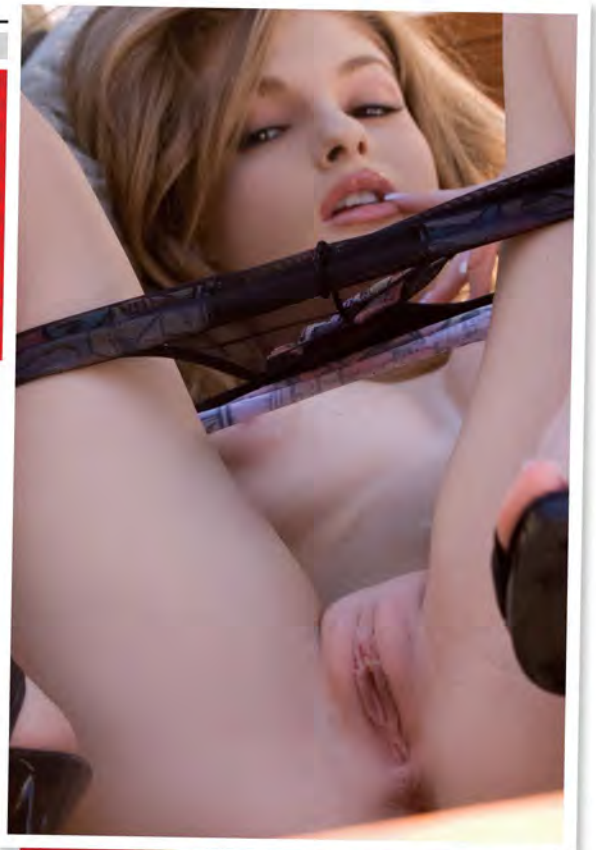
We agree, Lane is truly Lush. In fact, you can see more of her in our sister magazine Club DVD – she's in the next issue of that, and there's a sexy little video of her too.

Dear Club,
I've finally had my first threesome and, as is most men's dream, it was with two women. Even better is the fact that they are both total opposites, so I got the best of both worlds! Millie, my girlfriend, had arranged for Denise to sleep with both of us, after we'd talked about getting someone else involved in our lovemaking. My girlfriend is just over five feet tall, and has an incredibly buxom body without being at all fat. Her friend Denise, on the other hand, is just short of six foot and, whilst she's quite flat-chested, has the most incredible legs which she always enhances in heels.

Getting started was far less awkward than I'd anticipated, as after some dinner the two girls were soon on the sofa kissing. I could have just watched that for hours, as Denise was really going for it, wrapping her long thigh around Millie's waist as they made out. My first move, however, was to go for the familiarity of Millie and, sitting behind her, I kissed the back of her neck whilst stroking her tits. It wasn't long before I had to touch those perfect legs, and ran my palm along Denise's thigh until I revealed stocking tops. Denise started sucking at Millie's fleshy tits. I found myself squeezing my girlfriend's tits towards Denise's mouth as she licked at the nipples like only a woman can.

Millie was obviously enjoying it, as she pushed Denise back on the sofa until her long torso was stretched out. She dragged her knickers past her suspenders and smoothed her legs apart to reveal a neatly-trimmed bush. The moment her mouth made contact with those beautiful pussy lips, Denise let out a groan of ecstasy. I, meanwhile, had my dick in my hand and was wanking it furiously. I could see the care Millie was taking, as she parted Denise's cunt taking long, luxurious strokes of her slit, before lashing at her clit with the tip of her tongue.

Positioning myself behind Millie, I began to drag my cock through the crack of her ample arse, teasing her by making her wait to get shafted. Still with her face between Denise's legs, she reached around and parted her pussy to show me that she needed my cock. She was already wet, so my head slipped in with ease, and I began to pump away at her. Millie became so excited that she started slamming her cunt back over my prick, as Denise held her head down on the pussy that she was devouring. Her big breasts were



RED ALERT!

Dear Club,
I just had to drop you a line to say thank you for answering my prayers with the lovely Faye in volume 42, no. 9. What a girl with her lovely red hair, nipples and pussy. I hope she will be back in *Club* soon. My cock was soon hard – I love the shot of her holding her pussy lips open, showing her clit. Please keep up the good work, *Club* is the best mag on the top shelf.
Bob, Norfolk

Cheers, Bob, and thanks for giving us a reminder of how hot redheads can truly be. We've got our scouts out for more as we speak, but we can tell you that there'll be a gorgeous redhead – in the shape of the delicious Melody Jordan – in the next issue of Club.

slapping against Denise's thighs and her bum was jiggling as I spanked it.

I have never seen Millie so turned on, and my dick was slick with juice as she orgasmed heavily, still with her face buried in pussy. Getting out of the way, she then commanded that I fuck Denise. I was between those thighs in seconds as Millie sat on her face. As I rode her, I stroked her lovely body and played with her small tits, telling her over and over again how she was, "so fit that she was going to make me cum."

Announcing that I was about to spunk, Millie slid back down Denise's body, forcing me to spray all over her backside and Denise's tight tummy. Seeing those two women covered in my load meant that my dick oozed come for what seemed like minutes. There was only one word for it – heaven!

Tessing us off...

Fresh faced Tessa, 19, is our dream girl. Cute, natural, and obsessed with dicks. Really.

"I'm pretty new to sex," she giggles, "but the novelty hasn't worn off! I'm still amazed at getting hold of a soft dick and watching it grow in my hand or mouth. I love the way it throbs when I run my fingers up from the base to the tip. I get wet just playing with a dick, never mind putting it inside me. I think I'm going to try to learn to deepthroat next. I'm getting there, but I'm not perfect yet. I need more subjects to practice on. Size doesn't matter, I love them all!"

Club's ROUGH GUIDE

This month is definitely one for the petrolheads, with both Moto GP and Formula 1 entering crucial stages of their respective seasons. It's also one for England football fans, Matt Loxham says. Well, those who haven't been consumed by apathy, anyway...

Moto GP British Grand Prix

Silverstone – September 1st

Spain might rule the world of Moto GP at the moment with Marc Marquez, Dani Pedrosa and current world champion Jorge Lorenzo currently battling it out for top spot in the riders' standings, but when the two-wheelers take to the track at Silverstone in September the main focus will be on a man from Coventry – Calvin 'Cal' Crutchlow.

After a promising 2012 season, during which the West Midlands Missile claimed a couple of thirds on his way to a creditable seventh overall, this year Crutchlow has really begun to fulfil his burgeoning potential, and at the time of writing had bagged four podium spots (two thirds and two seconds) and become the first Brit in eleven years to qualify in pole position for a Moto GP race.

All this has left the man they call the 'Honey Badger' (not the catchiest nickname, but the most fearless animal in the world according to Crutchlow) on the fringes of the title race, rubbing saddlebags with no less than the great seven time world champion Valentino Rossi – admittedly not so great in the last couple of seasons but currently enjoying something of a return to form after switching back to Yamaha from Ducati. Indeed, in the Netherlands Grand Prix back in June, a resurgent Rossi won his first Moto GP race since 2010. Crutchlow took third.

Although much of the hullabaloo at Silverstone will be about the Coventry Comet, the reality is that in this business the aforementioned trio of speedy Spaniards currently very much rule the roost. Lorenzo is the reigning world champion while Pedrosa finished runner-up, so it's no surprise to see them battling it out for track supremacy this time around, despite the fact that both have missed races with collarbone injuries.

Perhaps the man you wouldn't have expected to be in the mix, however, is 20 year-old rookie Marquez, who became the youngest rider ever to score a win in the history of Moto GP after a tussle with Pedrosa to take the spoils in the Grand Prix of the Americas. The scene is set for a race to remember, and if Crutchlow can prevail it will go down in history – for the record, the last British rider to win a premier-class Grand Prix was none other than the legendary Barry Sheene.

F1 Italian Grand Prix

Monza – September 8th

When the glitz and glamour of Bernie 'Terrahawk' Ecclestone's Formula One circus arrives in Italy, the faithful Ferrari fans, or the 'Tifosi' as they are collectively known, are set to be greeted with a familiar sight – Sebastien Vettel streaking clear in the Red Bull while the 'prancing horse' struggles in vain to keep up.

At the time of writing the triple world champion had opened up a healthy lead in pursuit of his fourth consecutive driver's title, and while this is all obviously an incredible achievement and whatnot, it doesn't help Formula One's reputation for being, erm, a little predictable.

Thankfully the 25 points on offer for a win these days, while also providing Vettel with the chance to extend his advantage,

gives the stragglers ample opportunity to catch up, but the question pundits like David Coulthard are asking is: Has anyone got the bollocks to do it?

Po-faced Finnish misery Kimi Raikkonen and eggy Spaniard Fernando Alonso head up the chasing pack, with consistency seemingly the key to their making inroads into Vettel's commanding lead. While both Raikkonen and Alonso have topped the podium only to slip down to seventh or

eighth in the next Grand Prix, Vettel has yet to finish outside the top four, somehow picking up decent points even when things aren't going to plan. The determined German showed a ruthless will to win when he defied orders to gazump team-mate Mark Webber in Malaysia, pissing the genial Aussie off massively in the process – rivals take note...

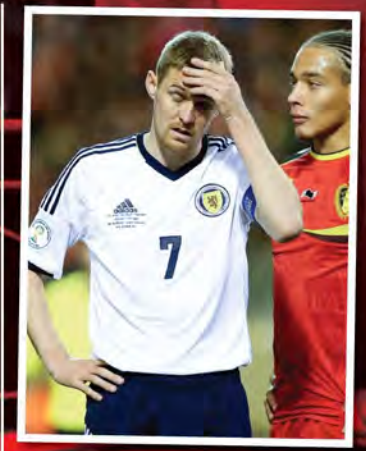
After switching from McLaren to Mercedes in the off season, Lewis Hamilton currently sits just off the pace, although a couple of wins could easily lift him into contention. Indeed, the Stevenage-born speedster has hit a rich vein of form in recent races, and if he can patch-up his troubling differences with ex-Pussycat Doll and the face of delicious Muller Yoghurt, Nicole Scherzinger, then who knows what Hamilton might muster in the second half of the season. Let's face it, with fellow Brit and former colleague Jenson Button enduring a difficult/shit season in the McLaren, he's the only hope we've got...

World Cup Qualifiers

Various Venues – Throughout September

The World Cup in Brazil next year promises to be an incredible spectacle, a celebration of samba and soccer in the second home of football. There'll be fit birds in the crowd, Pele might do some keepie-uppies in a suit, and Clive Tyldesley will repeatedly whack off about the 'carnival atmosphere'. But will England be there? And do we actually care considering they'll probably play some shit football, moan about the heat, and get knocked out on penalties? And what about the other home nations – will they be bound for Brazil or watching it on the box? So many questions! But all will become a little bit clearer after this forthcoming qualification double-header.

England, with Roy Hodgson still inexplicably at the helm, find themselves battling for group bragging rights with the might of Montenegro, suggesting that the ridiculous levels of expectation that follow England to all the big



> **"Do we care about England qualifying? They'll probably play some shit football, moan about the heat and get knocked out on penalties"**

tournaments should be tempered immediately – right now please. Naturally, Hodgson's technically ungifted and tactically limited squad should overcome Moldova at Wembley on September 6th, but then a very tricky game away to Ukraine awaits. A place in Brazil is far from a foregone conclusion.

Despite scoring an impressive away victory over Croatia in their most recent qualification match, Scotland have as good as booked their seats on the sofa after a turgid start to the campaign, with Wales, in the same group, in charge of nibbles, beer and locating the TV remote. Indeed, both teams could achieve the very unlikely feat of winning all their remaining games and still not make it to Brazil. Northern Ireland are in a similar position, with only pride to play for when Portugal arrive.

The Republic of Ireland, on the other hand, find themselves in a three-way battle for second place behind Germany with Sweden and Austria in what is a group of death. Next up for Trapattoni's men? Sweden and Austria. Suddenly, England's position doesn't look quite so tricky. ♣

The Look of Love

(StudioCanal £13.94)

Our late founder Paul Raymond was always bound to have his life dramatised. From his early days in Liverpool to his rise to 'King of Soho' status, it's a fascinating tale, replete with tragedy and hubris, but also rich detail. Steve Coogan's Raymond is perhaps wittier than the real one, but his is a brilliant reading. He's assisted by a fine cast, notably Imogen Poots who excels as Debbie, Paul's daughter. While his relationships with his sons were tricky, he doted on Debbie and was grooming her to take over his empire – until her early drugs-related death. That story has real impact here, although some may not like how that tragic arc is surrounded by more flippant scenes and endless cameos from the UK comedy mafia. Some of these are fine, others grate. David Walliams as a comedy Vicar, Stephen Fry as a barrister, a very broad turn from Simon Bird – these cameos smack of an *On The Buses* or *Little Britain* movie. They're the only false notes here. Coogan whips you along, Tamsin Egerton and Anna Friel bring subtlety as the women in his life, lots of real life glamour girls pop up, and Chris Addison is a fine Tony Power, a former editor here. In fact, he gets to play off against two current Paul Raymond editors, while lots of other Paul Raymond staff past and present add verisimilitude. There's a rival Paul Raymond project in the works, but it'll be hard to improve on Michael Winterbottom's flawed but enjoyable biopic . ★★★★

Boardwalk Empire S3

(Warner Home, DVD £26.00, Blu-ray £39.72)

Many critics and viewers felt that Season 3 of *Boardwalk Empire* was when it went from having all the component parts of a great show, to actually being a great show. They're wrong. While it stepped its game up in many ways, it's still a tier below *Breaking Bad*, *Mad Men*, *Justified* and the like. That's no fault of Steve Buscemi, who is thrilling as Nucky Thompson, but the show is still often a triumph of style over substance, hooked on set pieces and grand guignol 'villains of the series' like Gyp Rossetti. And Margaret never fails to drag the story down. Great? No, but it's getting closer. ★★★

Girls Season 2

(Warner Home Video, Blu-ray £17.21)

If you wanted, you could see *Girls* as HBO's counterpoint to its very own *Sex and the City*. After all, it's about four girls in New York. But Lena Dunham, who writes and stars, has created something much cannier and less glossy. It's studded with the difficulties of young life, with awkward sex and failing careers and stilted conversations and misunderstood intentions. It's not perfect – at times the acting is scrappy – but it's bold and interesting, and a testament to HBO's broad palette approach to shows. It's the ying to *Game of Thrones*'s yang. ★★★★

Oblivion
(Universal, DVD £10, Blu-ray £15)

A big budget sci-fi movie with Tom Cruise? Meh, we'll pass. Hold on, what's this... Well, it turns out that, despite some flaws and the inevitable sag towards the finish line, this is actually decent stuff. It's sci-fi with heart and brains, not just giant robots and explosions. And Andrea Riseborough and Morgan Freeman ensure there's actually some, you know, acting in it. Far from perfect, but much better than expected. ★★★

The Place Beyond the Pines
(StudioCanal, DVD £10, Blu-ray £13)

Stunt bike rider Luke (Ryan Gosling) might be a local celeb in small town Schenectady, NY, but that's not enough to keep hold of Eva Mendes, mother of his son. He turns to crime, and rubs up against ambitious cop Avery (Bradley Cooper). That sets the stage for a patchily fascinating look at male machismo. ★★★

Crusader Kings II
(Paradox, PC £12.10)

The main reason to buy this extremely complicated and hard to pick up PC strategy game is the free downloadable *Game of Thrones* mod. It knocks all official *GOT* games into a cocked hat but, beware, this is not for casual gamers. It's intense but slow, and the instructions and tutorial are so useless, we advise you to go to Youtube to learn how to play it. It's worth the effort once you're ruling Westeros. ★★★★

Classic Corner

The Apartment
(20th Century Fox, Blu-ray £11.03)

Not all Academy Award winners – this has five – are created equal. This is, no hyperbole, one of the best films ever made. It's funny, it's charming, it's romantic and, with Billy Wilder at his scabrous directorial best, it's also a dark, black comedy that lampoons the modern workplace. Jack Lemmon is lovable and hilarious, Fred MacMurray a fine villain, and you'll fall in love with Shirley MacLaine's gorgeous Fran Kubelik. This is as good as it gets, filmwise. ★★★★★

Dirty Wars
Jeremy Scahill (Serpent's Tail, £15.99)

The nature of war has changed. America has retreated from the large scale deployments of the recent past and has moved towards secret ops, drone strikes and other methods that often appear to have little oversight. Scahill delves deep into this pernicious way of conducting warfare, getting his hands dirty on the ground as he travels from Yemen to Somalia, Pakistan to Afghanistan. A welcome corrective to the official line.

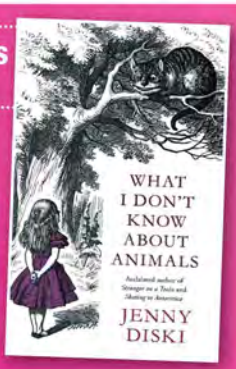
Judge Dredd Case Files Vol. 1
Various (Rebellion, £14.99)

Rebellion's collections of Dredd, pulled from the pages of *2000AD*, are a mixed bag, as they were in the comic. When on form – Cursed Earth, Judge Cal, Judge Death – they zing. But this first volume sees the artists and writers finding their feet, hence the inconsistency. The look hasn't solidified, and the stories can be silly. But this is still an essential introduction to a comic icon.

The Ocean at the End of the Lane
Neil Gaiman (Headline, £16.99)

A master of novels for adults and children, graphic novels and Doctor Who scripts, Neil Gaiman is a modern day wonder. This fantastical tale sees him hitting top gear, melding fantasy and reality in the story of a child told by the protagonist as an adult. It's too complicated, too interesting, too rich to précis here. Just allow yourself to enjoy the effortless creation on display here.

What I Don't Know about Animals
Jenny Diski (Virago £9.99)



Jenny Diski is a unique writer. Rather than try to write a book about animals that has a central point to make, this is more ruminative and conversational. It's also brilliantly written and observed. She talks about her cats, about orangutans, about how we talk to animals, care for them, mistreat them, eat them. It's wide ranging, but so easy to read that Diski's prose falls into your eyes. ♣

Motorola Razr HD

www.motorola.co.uk

It's fiercely competitive at the top of the smartphone world at the moment although, that said, prices only seem to be going higher. There's a lot of bang for your buck here though, with a lovely 4.7" AMOLED screen with tough but soft feel Kevlar backing. It's a smartphone that looks sleek but is also rugged. Dual-core performance is more than solid, and the battery life is exceptional, a kick in the teeth for iPhone owners who still run out of juice after a few hours. On the downside, it's not exactly cheap, and the 8mp camera isn't the best in show either.

Pros: Feels great in the hand.

Cons: Average camera.

Blackberry Q10

www.blackberry.com

For those of us with big sausage fingers, Blackberry's, with their physical keyboards, are still a joy. But the world doesn't seem to agree, and RIM have lost market share in spades. If you email and text all day long, and don't care about apps (there are few), camera (which is below par) and looking cool (this isn't cool), then you'll love this phone. But even with the AMOLED screen having fantastic resolution, 3.1" isn't cutting it, as the actress said to the bishop. And with those misgivings, charging £530 just seems optimistic.

Pros: Blackberry's biggest ever QWERTY keyboard.

Cons: Poor apps, price. ♣

Sony SRS-BTM 8

www.sony.co.uk

Priced at £85 but available for around £60, this portable speaker from Sony might not have the catchiest name, but that doesn't really matter when it's so obviously going to be called 'the handbag'. As well as looking undeniably effeminate, the BTM8 is outstanding value for money. If you've got an NFC enable smartphone, you can link to it seamlessly – or there's Bluetooth or a 3.5mm output for the rest of us. Powered by mains or 4AA batteries, it packs a surprising punch. The treble isn't outstanding, but the bass is solid and it rocks pretty loud, making this perfect for a picnic or BBQ. If you don't mind carrying a handbag there...

Pros: Great sound for the money.

Cons: Treble a bit splashy.

Bibi Jones and her friend Lilly Banks are heading to their high school reunion, but after a so-called friend deliberately gives them bad directions, they wind up at an outlaw bar. Will this wrong turn have sexy results? What do you think? As is often the case in pornland, tattoos denote 'badness', so we get scenes from the thankfully hot Christy Mack and Bonnie Rotten, as well as the more innocent looking Bibi and Lilly. The plot is so slender as to be negligible, but with four hot girls getting doinked, there's every reason to take this shortcut.★★★★

Call Girls

If there's one thing you're guaranteed to get with a Bluebird film, it's British glamour girls clamouring for cock. Time was we were starved of such sights, but in this film alone we get cover girls such as Gemma Massey, Anna Lovato and Tommie Jo in hardcore action. They're joined by Caprice Jane, who might be a new one for us but won us over with her admirable appetite for the ole' veiny bangstick. Call Girls? We'd be happy if they called us...★★★★

READER'S GIRLFRIEND

NAME: Chloe **AGE:** 19
FAVE SEX: With toys!
WHAT'S SHE LIKE? Cute and confident

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
I love the girls in *Club*, so I wanted to be one, it's as simple as that.

DO YOU WANT TO BE A GLAMOUR MODEL?
I think so. I've got a couple of shoots lined up. I love seeing myself in the magazine, or on a contact sheet, but I'm not totally in love with the process of modelling.

HOW DO YOU MEAN?
Well, it's a bit restrictive, isn't it? It's like it's all foreplay and no sex. I get really horny stripping off and showing my body, but there's only so much I'm allowed to do.

HOW ABOUT FILMS THEN?
That would be more up my street – fucking and sucking all day long – but it's hard to wipe it off your CV in the internet age, isn't it? Maybe I'll just have to make some private ones! ♣

Fancy a Reader's Girl slot?

JUDGE HEAD!

As I'm sure most people know, as an actor you sometimes have to take on jobs that pay the bills, in between well-paid 'proper' acting jobs. I'm currently working for a tourist attraction that recreates 19th Century Britain, playing the role of a judge, sentencing petty criminals to death or the stocks. Whilst it's not ideal, it keeps me in practice, and there are a load of fit young girls there who are fresh out of drama college and are just there for a stop-gap job. Even better is the fact that they generally play the roles of 'whores', who have to wear ragged bodices with their breasts permanently on display.

I spent my first week fluffing my really simple lines, as I was constantly distracted by the cleavages that were constantly in view! A couple of the girls are pretty wild, and they caught on to this. They began by standing behind the tourists and cheekily flashing me a bit more during my final sentencing speech, where I'm supposed to sound menacing. Whilst that was off putting, it was nothing compared to last weekend.

My judges' stand is in front of a theatrical curtain, which allows me to disappear dramatically at the end of my speech. Reaching the finale of one sentencing, I sensed the curtain shift behind me, and the next thing I knew, Paula, one of the girls, was crawling past my legs into the judge's stand! Her back was then against the front panel, and she was facing towards my crotch; sitting down with her open legs either side of mine. After my initial glance down to see who it was, I couldn't look again as I had a captive audience. As I spoke, all I could feel was her palm running up and down against my hardening prick. I had to focus on some old woman in the crowd to control myself, as Paula began undoing my flies and reaching inside.

I was expecting her to slope off giggling, but she instead began to roll her grip up and down the shaft. Seeing my legs tremble, she obviously decided to carry on, working up a steady rhythm and stroking my balls. I was now pronouncing the sentence, and the audience were more than a little bemused at my frequent pauses. Finally finishing my speech, it was then that I felt something that wasn't her hand, and looking down, I saw the tip of her tongue lapping at my swollen end.

As the people filtered out, she had now taken me fully in her mouth, and had clearly forgotten that this had started as a way to embarrass me. The final person had left, and a girl in a whore's outfit was now treating me to an amazing blowjob. Plus, I was still wearing my judge's wig! So, rather than being annoyed at my embarrassment, I gripped the front of the stand whilst she deep throated me. Her cleavage was heaving under my balls, and I knew that I needed to cum all over it. Placing my hand on her head I pushed it back, my dick slipping from her soft lips as I started to jizz. Gripping the base of my penis, I sprayed my load all over her tits as she yanked her costume apart so I didn't cover it with spunk.

Suddenly, the next thing I noticed was the latest group of tourists shuffling into the courtroom! Paula quickly dived behind the curtain, leaving my dick exposed under my robes. Needless to say, in the following trial I was the most cheerful judge anyone had ever seen!

Matt, Bristol

“Her cleavage was heaving under my balls and I knew that I needed to cum over it”

WE WILL RACK YOU!

I don’t know about any of the other readers, but there are some sexual acts that sound, well… a little juvenile. Maybe it’s just me, but in my teens my friends and me were obsessed with getting a ‘tit-wank’ off any poor girl who we managed to get off with. Considering most of the time we had nowhere decent to go, you can imagine the awkwardness that ensued!

Despite this, the desire to engage in such an act has weirdly remained. The problem has been, though, that I’ve either gone out with less ample women, or girlfriends have kind of laughed the idea off as a bit ‘silly’. I know women don’t seem to get a lot out of it, so I’ve never wanted to push the issue. However, I’m writing to let you know of when I did recently, and the result it produced!

Sandra has been part of our group down the pub for a while and she is really vivacious and saucy, with a killer buxom figure that she crams into Levi’s and tight tops! I’ve had a few drunken snogs with her at weddings of mutual friends and stuff, but it has never gone much further. The other week, though, we were the final pair staggering home after last orders and we naturally headed back to mine, knowing what we were both there for.

As we were getting down to it, I could see that she was really comfortable with her body and was pushing her own tits together as I sucked at her nipples. Rolling about on the couch, she freed my dick and started tossing me off with one hand, and holding the back of my head and pushing my face into her tits with the other. I felt like a teenager all over again, as I squeezed my hand down the front of her jeans, and found her swollen clit. As we masturbated each other, I was totally lost in her cleavage, running my tongue over her breasts and chewing at her nipples.

“Do you want to put it in my mouth?” she asked, smirking a little drunkenly. I immediately removed my trousers and straddled her on the couch, dipping my cock into her expectant mouth. With her head against the arm of the sofa, she was slurping my prick further down her throat and I could feel her tits pushed together between my thighs. Her hand gripped my shaft and pulled it back out to the tip of her tongue, where she started to forage under the foreskin in a circular motion. I took this as my chance, and moved further back, before pushing the head of my penis into the underside of her cleavage. “You want a tit-wank, do you?” she said almost cockily, to which I was a little shocked to reply, “Come on then, get it between them.” She continued and cupped

her breasts, pushing them tighter around my shaft.

As I thrust harder and harder, I could see my foreskin drawing back, and she moved her tits up and down to heighten this sensation. My dick was virtually hitting her neck, but she squashed her chin down, and began flashing at my bell-end with her tongue. There was no doubt that she had done this before, and as I began to shoot my wad she pulled her tits apart, and I drenched her neck and tongue, as well as a wild spurt against her top lip! She then rubbed it into her perspiring tits with both hands, maintaining eye contact at all times. Yeah, she had certainly done it before. What I've been hoping for since that night, though, is when she'll do it again! I can honestly say, it was nothing like the ones I had years ago.

Joe, Poole

ON THE BLOWER!

My husband and I have been into swinging for a couple of years, particularly with other women as I am bi-sexual. Reading through your mag we often both like the same girl, and imagine what we would do with her together. However, a fortnight ago Brian had to go away to York for a few days with work, and he phoned me with a surprise, to say the least.

When I answered the phone, he said, "Hi darling, it's Lee, I hope you're not going to be too mad at me." I paused, feeling a little nervous and tentatively asked, "What are you talking about?"

"You see, I'm really missing sex and I don't think I can wait until I get back, so I picked somebody up and they're back here with me." Despite the fact that we understand each other's needs and always let each other know if we sleep with someone else, I

couldn't help feeling a little jealous this time. However, he continued, "We thought if we phoned, it'd be the best way of letting you share the experience, what do you think?"

Thinking for a second, I kept the receiver to my ear and then asked, "What does she look like?" "She's quite small, slim and brunette," he replied, "you're now about to show me just what you're like, aren't you?" he then continued, but addressing it to her. My hand instinctively reached for my tit and I started tweaking my nipple. "Oh, that's right," he continued saying to her, "show me your tits, that's right push them together." I was imagining Lee with his dick in his hand staring at this girl perform for him, as he loved to watch girl's touch themselves. My fingers were now stroking at my mound through my trousers, then in seconds I had pulled them down, lying back on the sofa.

"Is she going to touch your dick?" I asked. "She's on her knees now, aren't you?" I heard

> **"i could imagine him grinning as his jizz trickled down off her tits, her skin glistening with the mess. My fingers were soaked with juices"**

a voice go, "Uh huh," and then heard Brian let out a moan of satisfaction. "Is she sucking your dick? Let me hear." Brian took the receiver and placed it near his dick and I could hear her slurping at it, making over-the-top noises for my benefit. "Take it deep throat," I said loudly down the phone so she could hear, my fingers parting my pussy lips as my thumb kept working the clit. The sound of Brian going, "Oh, she's really fucking good," sent my fingers into frenzy. I had three inside my cunt and was fucking myself hard, listening to this woman tell me "how good" my husband's dick tasted.

I could barely contain myself and was shouting down the phone, "Fuck her now! Fuck her now!" He told me how he was turning her over onto her stomach and raising her onto her knees, and when he finally entered her I could hear her let out a deep moan of pleasure. As he banged away at her, I had brought myself to climax and demanded to know what was happening as I was about to orgasm. "Oh, I'm going to spunk all over her, Anita," he said amidst the noise of their thighs slapping together. My own pussy tightened and then relaxed around my fingers, and I was shaking uncontrollably on the sofa, still holding the receiver and hearing Brian tell me how he was spraying his load over her tits as she pushed them together for him. I could imagine him grinning as his jizz trickled down off her tits, her skin glistening with his mess. My fingers were totally soaked with my juices and I put them into my mouth to taste their sweetness.

As his orgasm subsided, I heard Brian asking her if she enjoyed it, and when she replied, "Yes!" I only had one thought. "Brian," I said, "both of you stay where you are." I immediately put the phone down, got dressed and made my way to the train station.

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

There's a lot to be said about new movie *The Canyons*. Written by Bret Easton Ellis, directed by Paul Schrader, it has some pedigree. Porn star James Deen takes a lead role, as does director Gus Van Sant. Reviews have been mixed – some say it's 'shit', others merely 'terrible'. But what it does have is a flesh-filled performance by Lindsay Lohan, who was once a decent actress before she became fodder for cack gossip websites and magazines. And she's fine here, but not as fine as her magnificently fleshy boobs. Less personal issues, Lindsay, more boobage. That's our sage advice to you... ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

LIPSTICK ON YOUR COLLAR!

I know some girls hate their boyfriends talking about what they get up to in the bedroom, but I accept it is a fact of life and try and give him something interesting to tell his mates! I can tell by the way they look at me that they wish their girlfriends were as filthy as me, and I love the thought that some of them would love to fuck me. Phil loves it too, of course, as he has a girlfriend who'll try pretty much anything!

I love to surprise him, and the other week, he came in to find me sitting on the edge of the bed, my arms crossed, wearing nothing but a fake fur coat and a cowboy hat. He loves to watch, so he always gets his dick out first to wank off at the sight of me. When I opened my arms, allowing the coat to fall open, he saw that I was wearing crotchless knickers and no bra, and his fist began pumping away at his meat.

Sucking my fingers, I began to circle my nipples slowly and then tease him by closing the fur every so often. I then worked the palm of my hand down my chest, over my stomach and rested it above my pubes. Curling one finger forward, I touched my clit as he watched intently, no longer wanking so as not to cum too soon. I motioned with my eyes, as if to say, "Don't you want to get inside me?" and parted my legs. However, as he dropped down to his knees and got ready to insert his prick into my moistening cunt, I placed a hand on his chest to stop him and shook my head slowly.

Rolling over onto my front, so I was bent double over the side of the bed, I raised my bum in the air. Reaching behind me, I lifted up the bottom of the fur jacket to reveal the words 'In Here' written in lipstick just above the crack of my arse. "You horny bitch," was all he could say, before positioning the tip of his dick at my back entrance. I spat on my hand and, reaching around again, rolled it over the tip of his prick. Nudging his head into my anus slowly, I parted my own arse cheeks allowing him to feed his length up my chute.

When he was in as far as it could go, he pressed down on me, pulling his shaft out slowly before driving it back in steadily. "That's how I like it," I told him, as my sphincter relaxed further with each thrust. I have a tight bum, and I knew this was driving him crazy as he was panting silently and steadily. "Oh fuck, I'm going to cum," he suddenly announced, and pulled his dick slowly from inside me.

With his dick positioned just above my arse, he shot his wad into my crack and on the small of my back where I had written his 'invitation'. Craning my neck around, I could see his cream splattered all over the lipstick, and I motioned for him to bring his dripping cock to my mouth. After cleaning him of his spunk with my tongue and taking it down my throat, I saw him look back to where he had sprayed the rest. I knew what he was thinking, and I couldn't wait for him to tell them!

Francesca, Plymouth

> "I parted my own arse cheeks, allowing him to feed his rock hard length up my chute"

THAT'S WIFE!

I know for most people threesomes are like a Holy Grail, myself included. However, I'd only really thought about myself rolling around in bed with a couple of women (sisters, preferably – predictable, I know!). Therefore I wasn't really prepared when a friend from work asked if I'd fuck his wife with him! This guy, Calvin, didn't just come straight out with it like that, but over a series of after-work drinks he hinted at the proposition before proposing it to me outright. It wasn't what I ideally had in mind, but I still thought, well, it looks good on the old sex 'CV'!

It was very staged when it actually happened, and not like anything I had experienced before. Arriving at their house, I was greeted by Samantha dressed in a gown that was soon parted to reveal suspenders and no knickers. Leading me into their

bedroom, it all seemed to be going very quickly, especially when I saw Calvin sitting there in his underwear.

I barely had my coat off before Samantha crawled onto the bed and undid her gown to reveal a body built for sex! She yanked down Calvin's boxers in a flash and, getting on all fours, began to lick up and down the side of his shaft, taking long strokes and saying, "Mmm… yes, this fucking cock tastes good!" I then caught Calvin's eye, who smiled before giving me a look as if to say, "Go on!"

She had Calvin's cock well inside her face and was slurping at it loudly and moaning with pleasure. I fingered her pussy before pulling it apart and slipping inside her. She instantly pushed back against me insatiably, wanking her husband's cock against her partially open mouth. I licked my finger and circled it around and into her bumhole. I was fucking her hard and she was nearly gagging on Calvin's dick as he fucked her mouth whilst kneeling up.

Samantha kind of patted her arse, before pulling her cheek sideways. I knew what she wanted and obliged by slipping out of her pussy and nudging my hard-on against the entrance to her arse. Pushing gently, her muscles relaxed allowing me to ease into her anus. Her bumhole gripped me so tightly as I fed my dick into her that I could feel that I was ready to shoot my wad.

Still slurping at one cock whilst getting rammed hard in her behind, Samantha rubbed at her clit so fast that I could feel it vibrate against my balls. She began to scream the house down, and Calvin pulled out, tossing off furiously, as I pulled her head back by her hair. I unloaded my jizz in a long stream, squirting deep into her arse. Her husband, meanwhile, was gripping his dick, causing the spunk to shoot into her mouth, against her cheeks and into her hair, as she strained her expectant tongue towards his penis. It

was without a doubt the filthiest and most satisfying sight I had ever seen, as she took all the cum we had. All I can say is, whatever your ideal fantasy, I can certainly recommend this one to anybody.
Mike, Sidcup

ANITA EATER!
I don't know if any of your female readers have experimented with other women after seeing the horny pictures in your magazine, but I had to write to tell you about what me and my friend got up to at the weekend. I've been friends with Lynne since I was about sixteen, and we've both been into porn since watching a couple of videos a few years ago with some lads we were seeing. We don't think of ourselves as bi-sexual, but we've always been able to masturbate in front of each other over the women in your mag, and we particularly enjoy girl on girl shoots. However, I don't know why things went quite so far recently, but I reckon they will do again.

Lynne was staying over at mine, and we always share a bed when she does. We were looking at some old issues together, feeling a bit hung over and horny. We both lingered over a shot of two girls with strap-ons and dildos. My hand was instantly between my legs, and I began to thumb my clit. "I could do with one of those inside me now," Anita suddenly joked. Without taking my hand from my own pussy, I leaned over to the drawers next to the bed and pulled out a vibrator. "Will this do?" I asked.

> "It was so wet with our juice that it needed no lubrication and my sphincter relaxed"

Pulling the covers back, I watched as Anita slid the vibrator into her hole and teased herself with it, slipping it in slowly, and then all the way out again. She then drove it deep into her hungry cunt and lay back, tweaking her nipple as she fucked herself. As I frigged my own clit, my eyes were fixed on the silvery shaft that was now so deep inside that Anita was moaning more than I had ever seen before. I had to have some myself, and so I took her hand away, replacing it with mine. We'd never actually been with each other, but it somehow felt right for me to turn the vibrator on and begin to pump it into my friend. Anita didn't complain and worked at her own swollen clit as my rhythm increased.

I couldn't help myself from putting my face into her pussy and lapping at where her fingers had just been. "Oh Mandy, that's fucking fantastic," she murmured encouragingly as I savoured the beautiful taste of my friend's juice. I then needed to get my whole mouth around it, so I removed the vibe and began to French kiss her twat.

Pulling my arse around until we were in a sixty-nine position, Anita took hold of the buzzing vibrator and gently inserted it into my gaping hole. In gratitude, I dutifully tongued her clit, and rammed two fingers deep inside her. I then felt her moist fingers at my bumhole as she rubbed her saliva in my crack. "Do you want it in your arse?" she asked. "Oh yes, now," I moaned. She positioned the smooth tip against my hole, and gently applied pressure until I felt it slide up my chute. It was so wet with both our juice that it needed no lubrication and my sphincter relaxed, allowing Anita to fuck my butt freely.

Her tongue was now at my cunt, and she began to breathe hard at it, signalling that she was ready to cum. I took her juice into my mouth, and feeling her orgasm made my pussy and bumhole widen, allowing her tongue and the vibrator to get even deeper. Now filling my pussy with her fingers, she slammed both holes until I could take no more, forcing me to scream my pleasure and throw my legs wider as I climaxed. I could feel myself crammed with her fingers and the vibrator, and I clenched and relaxed for what seemed like minutes. So, I'm writing to say thank you for inspiring us. It's just a shame you weren't there to get it on camera!

CASSIE ♣

Lass Angeles...

Cassie won't tell us where she's from – "A small-minded small town full of gun happy redneck fucks," is how she puts it – but she'll wax lyrical about where she is.

"I love LA," she gushes. "It has this reputation of being soulless and shallow, but when you grew up where I did, it's the promised land. It's warm, sunny, full of glamorous boys and girls, lots of amazing bars, restaurants and parties. Oh, and it's the centre of the porn world. What's not to like?"

When you put it like that, nothing.

"Exactly. Come on over. Crash at my place!" ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Seat of Mormon!

Clearly 'love thy neighbour' has become old fashioned, especially if thy neighbour is sitting in one's seat. Wayne Dodge, 51, was arrested in Plain City, Utah, after a disagreement on reserved seating gathered intensity and turned violent. Dodge, a regular attendee at the Meadows Ward Mormon Church, sat in a pew reserved for a family that does not usually attend the Ward.

It is alleged that, after punches were thrown, Dodge struck one of his fellow church goers with his car, but unfortunately there were 400 people bearing witness for a missionary farewell and a baby blessing. He's no Utah Saint…

Giddy-up Clucker!

Well, this lot certainly ruffled a few feathers. 9ft and 600 pounds of aluminium feathers, to be precise. A giant chicken statue's owner alerted the authorities after hearing a disturbance at around 6 a.m., which led to the arrest of Darrin Edwards, 19, Tyler Jones, 21, and James Smith, 18. Though not before one of them allegedly mounted the statue and rode it for a mile down the road. The chicken sustained a cracked claw, lacerated leg and a few scrapes.

Horn's Up!

One Chicago man should have just left his name and address at the store, so distinctive was his tattoo. Brian Lykins and Emil Niemi, both 27, are charged with aggravated robbery of a Dunkin Donuts and a convenience store. The pair were nabbed by officers who spotted the black Mazda described leaving the scene of both robberies. After conducting a traffic stop, police were easily able to identify the suspects from the distinctive horn tattoo's adoring Lykins forehead.

Quick Peck!

62 year-old Peggy Hill puckered up and planted a kiss on a police officer's conker, but unfortunately her affection was not returned. Officers were responding to a report of an altercation between Hill and one of her neighbours when the smooch occurred. Sgt. Randy Lamb was speaking to Hill when she leaned in and kissed his nose against his will. Sgt. Lamb wiped away the saliva and attempted to take Hill into custody. Hill is currently being held on charges of battery of a law enforcement officer. That will teach you to be called Randy! ♣
